Summer News

Pool News

We are preparing for our May 18th pool opening. We have done several small repairs to the pool this year and Steve Kekacs will be our new Pool Manager. He joins us for the Summer from Harvard University where he is on their swim team. We are very excited to have Steve join our staff in a managerial role. JJ Hynes, will again serve as our CPO (Certified Pool Operator) and oversee all operations.

We will continue to have the Dolphin Academy run our group and private swim lessons. They offer instruction for all ages and levels and do a fantastic job of remaining flexible to take care of customer's needs regarding schedules. We continue to have the best program in the CSRA, and will continue our policy of members only on the team.

Pool Opening

Opening Day

The pool will open Saturday, May 18th at 10:30 a.m. We will celebrate with hot dogs, hamburgers, chips, and cold drinks from 12:00-2:00 p.m. (compliments of PRC). Afterwards, we will have games and prizes for the children.

Pool Passes/ID cards

Again this year, no pool passes will be mailed to members. Passes may be picked up at the pool on opening day. After opening day, passes will be available for pick up in the tennis pro shop. All family tennis members will be given two passes and single tennis members will get one pass. Anyone beyond 45 days past due will not be issued passes until their account is cleared.

Reminders regarding pool passes

- Only an adult can pick up passes.
- ID cards must be shown at the pool every day you swim all summer.
- All children who show up without an ID card will either be sent home or will have to get their parents to bring them one.
- There is a \$10.00 charge for lost cards.
- Allowing non-members to use your passes could result in termination of membership.

We greatly appreciate your cooperation in this matter.

May Tennis News

Young Children at Pro Shop

We want the Shop to be a place where adults can relax, have a conversation, and watch television Unfortunately, when you allow kids to hang out in the shop, we lose that atmosphere. Therefore, during the summer, we need kids to stay out on the deck and allow the adults to enjoy themselves. We appreciate your cooperation.

Court Resurfacing

The Hard courts were resurfaced in April and work begins on the Clay courts May 27th and should be completed by June 10th.

Sunday tennis social

Every Sunday at 6:30pm throughout the Summer we run Social Tennis for players rated 2.5–3.5 or those attending our Adult Quick Start program. Please sign up each week at our Pro Shop.

Adult Quick Start (AQS)

Our AQS program is currently running Thursday evenings and Saturday mornings with over 35 participants. This program is for beginners or adults with little tennis experience. The last session is June 15th and we shall be starting another program soon after this one finishes. Anyone interested in our next AQS program should contact Gary Henderson (PRC manager) on 706 814 2768
